## SAT DATES

-2023 Dates Available: **August 26th** (Registration deadline - July 28th) and **October 7th** (Registration deadline - September 7th)

**\*August 26th** is the best option. You will just need to sign up for a later time for In Doc Day.

**\*\*October 7th** is possible, but it is the same day as our Rancho Bernardo Tournament which means you would need to get a ride most likely to the event after your test is done.

**\*\*\* DO NOT register for the test on November 4th.** This date is the same as our Mira Mesa Tournament (one of our most important competitions) and the SAT will definitely overlap with both of our performance times.\*\*\*

## ACT DATES

-2023 Dates Available: **September 9th** (Registration deadline - August 4th) and **December 9th** (Registration deadline - November 3rd)

**\*Please plan on taking the ACT on December 9th if possible.** We have a Band Camp scheduled for September 9th and while it is possible to take the ACT in the morning of September 9th and then join us after lunch, it will still be a large portion of the day missing. **Check to see if you receive results in time if you take the ACT on December for any colleges who need them. If needed, sign up for September 9th instead.**

**\*\*\* DO NOT register for the test on October 28th.** This date is the same as our Mt. Carmel Tournament (one of our most important competitions) and the ACT will definitely overlap with both of our performance times.\*\*\*

## BAND CAMPS

We learn a lot during our Saturday Band camps! Make every effort to ensure you are present for every one of them! This applies even more to our week-long camp from October 2nd – October 6th from 9:30am-7:00pm every day. We will finish learning the show during this time and it is essential that every member is there to learn their part! Plan family vacations accordingly.

## IN DOC DAY (Both parents AND students)

In Doc day (August 26th) is when we get everyone outfitted in their uniforms and complete all the necessary paperwork (permission slips, volunteer forms, etc.) to participate in the program! We need parents/legal guardians to join your student to help fill out and sign the paperwork. Times will be assigned between 8am and 5:30pm that day and your time here takes typically between 25-30 minutes.

## Weekly Rehearsal Schedule

Our weekday rehearsals are when we learn all the marching components of our field show: where/when to move on the field, choreography, and moving and playing at the same time. These are an essential part of the marching band experience, and it is crucial that you are there, on time, and ready to work!

**\*Parents, please note that all end times for weekly rehearsals listed on this schedule are when we stop rehearsing and dismiss the students from the field. Students may still need time to walk back to the band room and put their equipment away.**
