*****COLOR GUARD:** Color Guard does not attend the Winds/Percussion Sectionals. Instead, Color Guard rehearses on Tuesdays from 4pm-6pm without the Winds/Percussion. Color Guard will also attend all Field Rehearsals and the two Parade Rehearsals.

Please note that all end times for rehearsals listed on this schedule are when we stop rehearsing and dismiss the students from the field. Students may still need time to walk back to the band room and put their equipment away. Percussion students may need more time than other sections to put their equipment away. All students are expected to help percussion bring equipment in before leaving.

SAT DATES

-2025 Dates Available: **October 4th** (*Registration deadline - September 19th*) and **December 6th** (*Registration deadline – November 21st*)

***October 4th, or December 7th are the best options.**

August 23rd is possible, but if you sign up for August 23rd, you will need to sign up for a later time for In Doc Day.

ACT DATES

-2024 Dates Available: **September 6th** (*Registration deadline – August 1st*) **October 18th** (*Registration deadline – September 12th*) and **December 13th** (*Registration deadline – November 7th*)

BAND CAMPS

We learn a lot during our Saturday Band camps! Make sure that you are present for every one of them! This applies even more to our week-long camp from September 29th – October 3rd every day. Times for those camps will be determined very soon. We will finish learning the show during this time and it is essential that every member is there to learn their part! Plan family vacations accordingly.

IN DOC DAY (Both parents AND students)

In Doc day (August 23rd) is when we get everyone outfitted in their uniforms and complete all the necessary paperwork (permission slips, volunteer forms, etc.) to participate in the program! We need parents/legal guardians to join your student to help fill out and sign the paperwork. Times will be assigned between 9am and 6:00pm that day and your time here takes typically between 25-30 minutes, depending on how quickly we can find your correct size. The process may take longer depending on the student. Earlier time slots are recommended as we have more sizes available earlier in the day.

Weekly Rehearsal Schedule

Our weekday rehearsals are when we learn all the marching components of our field show: where/when to move on the field, choreography, and moving and playing at the same time. These are an essential part of the marching band experience, and it is crucial that you are there, on time, and ready to work!

****Parents, please note that all end times for weekly rehearsals listed on this schedule are when we stop rehearsing and dismiss the students from the field. Students may still need time to walk back to the band room and put their equipment away.***
